**Proposal for initial discussion twinning exchange between Neuenkirchen and Munkedal.**

Munkedals municipality and Neuenkirchen work for a continuation of the twinning exchange.

The purpose of this exchange is;

- To promote knowledge and understanding of peoples of our two communities
- To take part of the municipality's organization to find new solutions to municipal obligations and duties.
- To establish contacts for the benefit of residents and businesses.

The twinning exchanges and cooperation should be realized through;

Culture, Tourism and Sport

- The exchange of sports and culture in art, music, literature and dance.

Enterprise

- Contains "mature" content and exchanges between entrepreneurs
- The exchange of experience on unemployment issues
- Questions about housing

Other

- Exchange of municipal affairs in social services and administration.
